- Atal Innovation Mission, NITI Aayog and US Agency for International Development (USAID) **has announced a new partnership under the "Sustainable Access to Markets and Resources for Innovative Delivery of Healthcare (SMRIDH)" initiative.**
- **It will improve access to affordable and quality health care for vulnerable populations in Tier-2 and Tier-3 cities and rural and tribal areas.**
- In the year 2020, an innovative blended finance facility was developed by USAID, IPE Global, and various stakeholders from the Government of India, academia and the private sector.
- **The aim was to combine public and charitable funds with commercial capital to create and rapidly promote market-based health solutions.**
- The new partnership will enhance the efforts of SMRIDH Initiatives to reach out to vulnerable populations and leverage Atal Innovation Mission's expertise in innovation and entrepreneurship.
